Dear Municipal Officials/Solid Waste Directors/Essex County Haulers:

Each year at this time the Essex County Utilities Authority is required by law to establish the tipping fees for processible and non-processible solid waste for the coming year.

As a result, the ECUA has set the following tipping fees for 2025, commencing as of January 1, 2025.

Municipal Processible Waste – Resource Recovery Facility

2025 TIPPING FEE RATE..... \$74.00 per ton

Non –Processible Waste – Type 13 – Advanced Enterprise Recycling

2025 TIPPING FEE RATE.....\$82.08 per ton

Commercial Processible Waste - Waste Management (Julia St./Front St.) and Resource Recovery Facility

2025 TIPPING FEE RATE.....\$89.92 per ton

The ECUA is pleased to highlight the tipping fee for municipal processible waste (Type 10) of \$74.00 which is the same rate as the previous year. These low rates are due to the commencement of a new contract with the ECRRF and the elimination of debt service. Essex County tipping fees for municipal processible waste have continued to remain substantially below the 2014 tipping fee of \$89.94 and are the lowest tipping fees of all the New Jersey counties.

The tipping fee for non-processible waste (Type 13/13C) will be \$82.08 (an increase of \$1.45) and the rate for commercial type 10 waste will be \$89.92 (an increase of \$3.01). Both increases are due to contract requirements with their respective facilities.

Also, please note a change of address for mailing payments. The new address for TD Bank, Corporate Trust is: 12000 Horizon Way, 3rd Floor, Mt. Laurel, NJ 08054.

Very truly yours,
